Corporate & Taxation Advisory

Compliance in Pakistan with the legislative bodies is a complex matter. Noncompliance on part of business organizations will connote that they could face consequences of varying severity both in civil and criminal terms. Making sure that you are compliant with legislations can be time consuming and multifaceted. CGS assists you in meeting these obligations promptly and efficiently because of our broad range of corporate, tax and professional advisory services so that our clients would realize their potentials within the dynamic environments in which they do business.

Our services in this regard are as follows:

CORPORATE LAWS COMPLIANCE:

Today's business challenges call for only the best in compliance management tools. New regulations, ever-changing requirements call for extra vigilance on your part. At CGS, the people are experienced and determined at provision of corporate advisory services including

1. Strategic Corporate Consultation
2. Secretarial and Corporate Compliance Reporting Services
3. Share registrar services
4. Mergers, Acquisitions and Liquidation Proceedings
5. Services for Banks & Financial Institutions e.g. search reports for their corporate clients etc.
6. Advisory to “Not for Profit Organizations”

CGS provides specialist corporate advices to the companies which are not well established or facing problem in business augmentation. The transactions and regulations involved in such a scenario have to be professionally handled and there tends to be a necessitation for a specialist mediator to the proposed transaction.

CORPORATE GOVERNANCE COMPLIANCE

Corporate Governance is a system by which companies are directed and controlled. AT CGS, We facilitate clients to optimize governance and critical ventures decisions and achieve advanced performance by recommendations based on valid substantiation. CGS knows that sound corporate governance practices direct to stronger and more effective Boards and enhanced organization performance. CGS provides entities an effective governance agenda that is critical in today's competitive environment. Our corporate professionals are dedicated to pass knowledge to provide a full range of corporate governance solutions to the entities.
